- 

eseller HUB

Frontend Developer - Internship

15 days

 - Assisted in the design and maintenance of responsive and visually appealing websites.
 - Proficient in HTML, CSS, and JavaScript for frontend development.

Project

- 

Nest Mart APP

 - This website is a e-commerce application built using HTML, Tailwind CSS and React.js, ensuring a sleek and responsive user interface.
- 

Coffee Shop

 - Created a responsive coffee shop website with HTML, CSS, JavaScript, featuring an interactive menu, online ordering, and reservations. Improved user engagement and streamlined processes.
- 

Online Course Registration System

 - This website is a user-friendly online course registration system built with HTML, CSS, and Bootstrap for seamless frontend experience. Leveraging JavaScript for dynamic interactions, it integrates PHP for robust backend functionality and MySQL database for efficient data management.
